

# RIVERSIDESTUDIOS

Riverside Studios is an iconic building on the north side of Hammersmith bridge. Offering stunning views over the River Thames and excellent transport routes it has the best of all worlds. An easy stroll from Hammersmith tube station, direct access from the Thames Tow path and excellent bus routes all make it easy for you and your clients to find us.

Riverside Studios is a newly developed center with theatres, cinemas, TV studios and excellent restaurants and bars.

Riverside Studios is wholly owned by the registered charity Riverside Trust hence all income generated from workspace members supports the charity's mission to make high quality arts accessible to all.

## Work Space Opportunities

There are four private offices available to rent as well as spaces in the shared workspace hub; where you can rent a desk (or more) or just rent some space for you and your laptop.
